AUSTRALIAN OLYMPIC COMMITTEE

AOC FUNDING SUPPORT

The Australian Olympic Committee (AOC) has the exclusive responsibility for the representation of Australia at the Olympic Winter Games. To help achieve Australian Olympic Winter Team objectives, the AOC provides funding (AOC Funding) to its member National Federations (NFs), athletes and coaches.

While the AOC neither seeks nor derives any funding from the Australian Government or its Australian Sports Commission (ASC) and Australian Institute of Sport (AIS), it acknowledges the critical assistance these bodies provide to the AOC's Olympic Winter Institute of Australia (OWIA) and member National Federations (NFs) of sports on the Olympic Winter program and to athletes directly for their preparation for the Olympic Winter Games.

The AOC provides funding for sports which receive less than \$100,000 on an annual basis from the AIS in high performance funding. In the past, AIR receives funding of \$50,000 for each 4 years Olympic cycle. For the 2022 Beijing Olympic Winter Games, AIR has received \$100,000 funding for Short Track Speed Skating. The increase in funding had provided enormous financial assistance for AIR athletes attending the Olympic qualifying events, especially under the extraordinary COVID and travel restriction circumstances.

AOC also provides funding to Olympic Winter Institute of Australia (OWIA) for program of all winter sports. For the 2022 Olympic cycle, OWIA provided funding to AIR with the National Coach employment as well as ice costs for the high performance training program in Melbourne.
