Australian Ice Racing President's Message

Welcome to the 2024 Australian Open Short Track Championships!

We're thrilled to kick off this exciting celebration of speed skating and the spirit of competition. Over the next three days, we'll witness incredible performances that honour the hard work and dedication of our skaters, from young talents to seasoned athletes.

This championship is about more than just winning; it embodies sportsmanship, camaraderie, and the drive to push our limits. We encourage everyone to cheer for their skaters, forge new friendships, and create lasting memories together.

A special thank you goes to our dedicated coaches, whose tireless efforts throughout the year have nurtured the skills and growth of all our competitors. We also extend our gratitude to the officials and volunteers—your contributions are the backbone of this event, and we couldn't do it without you.

I would like to express our heartfelt appreciation to the Championship Organising Committee from the Victorian Ice Racing Association. Their immense effort in organizing this event has made it possible, and we are truly grateful for their commitment.

We are also proud to have the support of the Victorian Department of Sport, which has generously committed a grant to support the championships over the next three years. This invaluable assistance fosters the growth of our sport and encourages participation from all skaters.

Thank you for your enthusiasm and support. Let's make this a memorable event for everyone involved!

Best of luck to all competitors!

Alison Throssell
President Australian Ice Racing
On behalf of the Australian Ice Racing Board.

2024 Australian Open Short Track Speed Skating Championships
11th to 13th October 2024, O'Brien Icehouse, Docklands

Victorian Ice Racing Association President's Message

On behalf of the Victorian Ice Racing Association, I would like to welcome all the Australian Ice Racing Life Members, VIPs, competitors, officials, volunteers, parents and spectators. The 2024 Australian Open Short Track Speed Skating Championships would not be possible without the valued support of the Victorian State Government, Australian Ice Racing Limited, O'Brien Icehouse, the officials and the volunteers who are the lifeblood of our sport. Thank you for being an important part of our sport and for making these Championships a success.

It is pleasing to see so many new skaters entering the 2024 Championships and, for many, this will be their first opportunity to meet and race against skaters from across Australia and overseas. I am sure the racing will be exciting so we can expect to see lots of close finishes, new records, personal best times and the occasional penalty. Hopefully falls will be few and far between.

This year's event attracted skaters aged from 6 to 82 years of age which shows the wide interest in short track and the benefits the sport offers to all age groups. Several skaters will be using this event to establish qualifying times for their national teams which is going to result in some very exciting races and fast times. I sincerely hope that those skaters who are seeking National team selection achieve their qualifying times.

I would like to express my deep appreciation and thanks to the organising committee members who have worked so hard to pull this event together. The workload and number of tasks these amazing volunteers have undertaken has been significant so I can't thank them enough. To Alison, Carolyn, Linda, Margaret and Julie-Anne the skills, talent, expertise, work ethic and experience you brought will result in an outstanding competition and lay the platform for future events.

Special thanks to the management and ice tech team at O'Brien Icehouse for relaying the track markers, scheduling the ice time and supporting us in so many ways. You are the best.

Good luck to every skater and team. Skate hard, race fairly, make friends, have fun and enjoy the experience,

Best regards,

Bill Younger,
President,
Victorian Ice Racing Association.

Victorian Minister for Sport, Tourism and Major Events, The Hon Steve Dimopoulos MP

Welcome message – 2024 Australian Open Short Track Speed Skating Championships

On behalf of the Victorian Government, I'd like to welcome you back to Melbourne's O'Brien Icehouse for the 2024 Australian Open Short Track Speed Skating Championships.

Hosted in Victoria since 2012, the Championships brings Australia's best skaters together for three days of fast-paced action. Beyond the competition, the associated development camp will also help support the next generation of elite Australian speed skaters by giving athletes of all ages and abilities the chance to receive instruction from some of the country's best coaches.

Our support for the Australian Open Short Track Speed Skating Championships comes through the Victorian Government's Significant Sporting Events Program which helps organisations deliver national, international, or regionally significant sporting events across Victoria.

Since 2010 the program has supported more than 975 events for Victoria, keeping local businesses busy, hotels and shopping strips bustling and local economies strong.

If you're visiting from out of town, I encourage you to make the most of your Championships and explore Melbourne's laneways, enjoy some of our world-class food and coffee, and enjoy a moment of quiet in some of our breath-taking regions.

To all the skaters eager to make their mark at the 2024 Australian Open Short Track Speed Skating Championships – best of luck!

Steve Dimopoulos MP
Minister for Tourism, Sport and Major Events

AOC FUNDING SUPPORT

The Australian Olympic Committee (AOC) has the exclusive responsibility for the representation of Australia at the Olympic Winter Games. To help achieve Australian Olympic Winter Team objectives, the AOC provides funding (AOC Funding) to its member National Federations (NFs), athletes and coaches.

While the AOC neither seeks nor derives any funding from the Australian Government or its Australian Sports Commission (ASC) and Australian Institute of Sport (AIS), it acknowledges the critical assistance these bodies provide to the AOC's Olympic Winter Institute of Australia (OWIA) and member National Federations (NFs) of sports on the Olympic Winter program and to athletes directly for their preparation for the Olympic Winter Games.

The AOC provides funding for sports which receive less than \$100,000 on an annual basis from the AIS in high performance funding. In the past, AIR receives funding of \$150,000 for the current Olympic cycle, with an annual funding amount of \$37,500.

Australian Ice Racing sincerely thank our sponsors and partners for their support!
